Free Resource - November 28th, 2011

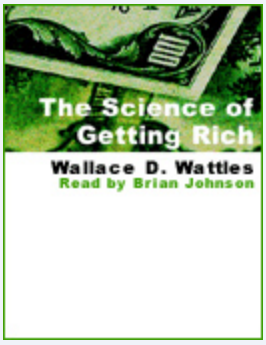
Free Resource of the Day

The Science of Being Great

When it comes to Cyber Monday deals nothing beats free! And you've got one day to download this free audio book: **The Science of Being Great** by Wallace D. Wattles. From the author of *The Science of Getting Rich*, this book is Wallaces' attempt to bring together the wisdom of the world's great religious leaders & philosophers into a system that empowers individuals to make the most of their lives. This unabridged audio book is narrated by our good friend Obi Okorougo. Enjoy this classic lesson in personal growth on MP3 download exclusively on LearnOutLoud.com. **It's free all day until tonight at midnight: Tuesday, November 29th at 12:00 AM Pacific Standard Time!**

The Science of Being Great

Deal of the Day



The Science of Getting Rich

The Science of Being Well

Download the other two audio books in Wallace D. Wattles' "Science" trilogy - *The Science of Getting Rich* or *The Science of Being Well* - for only $1.99. No coupon necessary!

The Science of Getting Rich:

This book is a practical manual. It is intended for the men and women whose most pressing need is for money; who wish to get rich first, and philosophize afterward. It is for those who have, so far, found neither the time, the means, nor the opportunity to study this matter deeply, but who want results and who are willing to take the conclusions of science as a basis for action, without going into all the processes by which those conclusions were reached.

It is expected that the reader will take the fundamental statements upon faith, just as he would take statements concerning a law of electrical action if a Marconi or an Edison publicized them; and, taking the statements upon faith, that he will prove their truth by acting upon them without fear or hesitation. Every man or woman who does this will certainly get rich; for the science herein applied is an exact science, and failure is impossible. For the benefit, however, of those who wish to investigate philosophical theories and so secure a logical basis for faith, I will also herein cite certain authorities.

The plan of action you will receive is a result of years of study, followed by my personal and practical application of a very specific philosophy; it has been thoroughly tested and bears the supreme test of practical experiment; it works! If you wish to reap the fruits of this philosophy in actual practice, read this book, and do exactly as it tells you to do.

The Science of Being Well

From the author of The Science of Getting Rich comes this valuable examination of what it takes to maintain personal health. Originally published in 1910, The Science of Being Well details the many habits one must develop for continued well-being, including how to sleep, eat and, most importantly, think your way into a life free from disease. Though somewhat underrated in his own life, Wattles' influence has become more pronounced in recent years, with books such as The Secret and others paying tribute to the author's enduring wisdom.

Both available on MP3 Audio Download for $1.99!

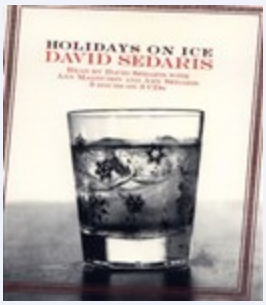
Audio Book Gift Guides

Featured Section



We're just about feature our 2011 Holiday Gift Guide for Audio Books. But before we do so we thought we'd look back at our gift guides from the past four years and some the great audio books we featured:

Looking for some great holiday gifts? At LearnOutLoud.com we've assembled these lists of the **best new and most popular audio book releases from 2010, 2009, 2008, & 2007**. You can check out all of our new releases here:

2010 Audio Book Gift Guide

2009 Audio Book Gift Guide

2008 Audio Book Gift Guide

2007 Audio Book Gift Guide

Almost all the audio books on our list are available on **Audio CD** and are **in stock and ready to ship** from LearnOutLoud.com. No matter who you're **giving gifts** to this year, you're sure to find an audio book they'll **enjoy and learn from**. To make it easy, we've divided this list of **new releases into categories:**

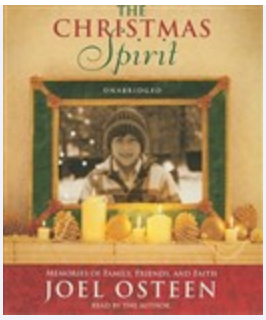
2010 Audio Book Gift Guide

2009 Audio Book Gift Guide

2008 Audio Book Gift Guide

2007 Audio Book Gift Guide

Audio Book Stocking Stuffers



In addition to our gift guides, we also have featured for the past three years the 50 best stocking stuffers available for under $20! Check out our best stocking stuffers of Christmas past:

Still don't know what to get a friend or family member for Christmas? We've got a great (and a bit biased...) suggestion: **Audiobooks**. **Why are audiobooks such great gifts?** Because they don't require the recipient to take any extra time out of his or her day. They can just pop the audiobook on while driving to work, exercising, etc. and each time they'll think of you and thank you for making their commute or workout a little more interesting.

To help you out in finding an affordable stocking stuffer we've put together all of our titles on sale for less than $20 in **LearnOutLoud.com's Audiobook Outlet**. Here you can browse titles by category that are **Under $5.00**, **Under $10.00**, **Under $15.00**, and **Under $20.00**. Find a great affordable gift in the LearnOutLoud.com's Outlet:

LearnOutLoud.com Bargain Bin Outlet

We've also put together these lists of the 50 best stocking stuffers available for under $20:

50 Cheap Stocking Stuffers from 2010

50 Cheap Stocking Stuffers from 2009

50 Cheap Stocking Stuffers from 2008
